Vaikunta Baliga College of Law formerly known as Udupi Law College, which was founded by Padmashri Dr. T.M.A. Pai, Manipal in 1957, has been named after the son of the soil Late Sri Vaikunta Baliga, former Law minister and speaker of state of Mysore.

Every passing year is a landmark in the life history of any educational institution, but it is specially and significantly so in the life history of our dear Vainkuta Baliga College of Law Udupi. This prestigious temple of learning entered the diamond gate this year.

Ever since its inception, in the path of its evolution it has emerged as one of the premier institutions in the horizon of law. The institution illuminated the life of thousands of students of the national and international level by enabling them to adorn most coveted positions in bar, bench corporate and state administration.

The institution as a hub of academic, co-curricular and cultural activities created niche for itself in the ambience of legal education with the aim of imparting quality legal education. This bears the testimony of our concern for the fulfilment of aspiration of all stake holder.

The college which is affiliated to Karnataka State Law University Hubballi, since 2009, is continuing its legacy of academic excellence, as our students have been securing University ranks every year.

We are proud to place on record that our college sports and cultural teams have been emerging as champions at state level almost every year.

Our dream to organise national moot court competition as a regular feature of our college became a reality since 2016 thanks to the magnanimous support of Alumni association and Smt Jayanthi P. Shivaji Shetty. We have been hosting the national moot court competition in the fond memory of Late Shri P. Shivaji Shetty, a renowned advocate and Professor Emirates of our college.

We feel gratified to say that our college has been accredited with B+ grade in the very first cycle of N.A.A.C. assessment.

We are highly indebted to esteemed alumni of our college for responding to our invitation and contributing intellectually rich articles to this souvenir. We acknowledge the support extended by Honourable State of Karnataka by admitting this college into the grant - in - aid scheme since 2015. This is a shot in our arm to take legal education to the higher pedestal.

We express our sincere gratitude to Sri T. Ashok Pai the Chairman of college governing council for his unstinted support and guidance but for which the institution would not have attained the present glory.

Through this opportunity to thank Sri B.G. Shankara Murthy and all the members of the editorial board for their efforts to bring out this magazine in a presentable form.

Editorial

Vaikunta Baliga College of Law formerly known as Udupi Law College, which was founded by Padmashri Dr. T.M.A. Pai, Manipal in 1957, has been named after the son of the soil Late Sri Vaikunta Baliga, former Law minister and speaker of state of Mysore.

Every passing year is a landmark in the life history of any educational institution, but it is specially and significantly so in the life history of our dear Vainkuta Baliga College of Law Udupi. This prestigious temple of learning entered the diamond gate this year.

Ever since its inception, in the path of its evolution it has emerged as one of the premier institutions in the horizon of law. The institution illuminated the life of thousands of students of the national and international level by enabling them to adorn most coveted positions in bar, bench corporate and state administration.

The institution as a hub of academic, co-curricular and cultural activities created niche for itself in the ambience of legal education with the aim of imparting quality legal education. This bears the testimony of our concern for the fulfilment of aspiration of all the stake holder.

The college which is affiliated to Karnataka State Law University Hubballi, since 2009, is continuing its legacy of academic excellence, as our students have been securing University ranks every year.

We are proud to place on record that our college sports and cultural teams have been emerging as champions at state level almost every year.

Our dream to organise national moot court competition as a regular feature of our college became a reality since 2016 thanks to the magnanimous support of Alumni association and Smt Jayanthi P. Shivaji Shetty. We have been hosting the national moot court competition in the fond memory of Late Shri P. Shivaji Shetty, a renowned advocate and Professor Emirates of our college.

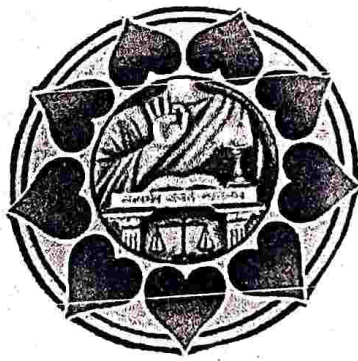

We feel gratified to say that our college has been accredited with B+ grade in the very first cycle of N.A.A.C. assessment.

We are highly indebted to esteemed alumni of our college for responding to our invitation and contributing intellectually rich articles to this souvenir. We acknowledge the support extended by Honourable State of Karnataka by admitting this college into the grant-in-aid scheme since 2015. This is a shot in our arm to take legal education to the higher pedestal.

We express our sincere gratitude to Sri T. Ashok Pai the Chairman of college governing council for his unstinted support and guidance but for which the institution would not have attained the present glory.

I take this opportunity to thank Sri B.G. Shankara Murthy and all the members of the editorial board for their efforts to bring out this magazine in a presentable form.
