## 1. TITLE OF THE PRACTICE:

**Skill Development Programme**

## 2. OBJECTIVE OF THE PRACTICE:

The Institution aims at understanding the skill possessed by the students through implementing various programmes and making provisions for the students to participate more in number.

- To plan and design curriculum for students with different needs.
- Enable learning through effective participation.
- Enhancing the existing skills of the students.
- Providing a platform to showcase their talents.
- To provide skill and knowledge of law or practical learning through experience.
- To bring out best research skills of the students by allocating different problems and also by exposing them to the changing situation in the field of law.
- To enhance the soft skills of the students such as effective communication, fluency in the language, presentation skills, leadership skills, eradication of stage fear which will make the student fit for the professional life.
- To expose the students to the modern technology and enhance their soft skills.
- To sensitize students to the legal problems, needs and aspirations of the rural masses and empower them achieve their goals.
- To allow students to compete effectively all across the country.

## 3. THE CONTEXT:

Legal system has clinical legal education as its integral part that transforms law students into social engineer. The university prescribed traditional curriculum is insufficient to enhance the skills of the student as it is only during last 2 years of LLB. For these reasons, the institution planned and adopted certain activities and certification programmes other than the ones prescribed by the Karnataka State Law University. It drives the students to take part in the

provided by the college, which has boosted their confidence and motivated them to try harder.

## 6. PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED

Majority of the students in the Institution hail from rural areas situated in the outskirts of Udupi Town because of which they face issues in travelling which effects their participation in various competitions. To encounter this, the Institution extended their support by lending college laptops to be borrowed by the students for their research work and along with the same the books were allowed to be borrowed from the library so that they utilize the opportunity to the maximum extent. Teachers made themselves available to help the students after the college hours to give proper guidance and to clarify the doubts through phone calls, whatsapp or email.
